1. What can I do for you that I have not done? Seest all I have done/proclaimed and waiting for no one/nothing, proclaims the day of tomorrow, not; today, now, cataclysm personified, rocking no one's world, not; but all.

Isn't that **my promise revealed.** Have I not given my promise overlaid in gold not; but myself, myself overlaying, coming through the outside of man-thought, you-thought, because all thought demised and only me remains, having come through/matured and who leadeth now but a child in my kingdom that teaches/shows all things to all who want sincerely to see/eat me, my word, my life be/become. I love you.

3. Thank you for wanting me above all others, above all else, and seeing my face in the face of my body all. I love you. Incarcerating no one but freeing all and who does look like you, not; but be-eth me also. Thank you one and forever. I love you.

And who rejects me now, not; but becoming that which I am wishest for all things, not; but becometh them. I love you.

6. See the sun shine again like never before, throughout, through, and throughout my kingdom; you my friend art Melchizedek forever. Thank you for acquainting my life with death to inherit the kingdom not in/upon death thought, but thought death, death of thought with their carnal mind never slithering in me again. I love you.

8. And this is the most/more cataclysmic recognition of not-me and me; and whoso can tell/be the difference? Yea no more "this and that" and "wait till I go bury my dead" and make money and play church; this is the life I planned for me, you, and who surrendereth now and forevermore and amen I shout, bow, supplanted never again. I love you all.

Amen.

14. Go in peace forgiving sins and priesting the Melchizedek order of one, one, one being one, many priests being/becoming one and forgiving each other, lighting each other's path, past not, but now life and light foreboding not, but forepathing for all the/those coming so very close; behind, not; beside, around.
